

SPECIALTY

Buro Dyna.
Stool.

Buro Dyna.

Flexibility in sitting and standing.

The Buro Dyna Stool is a comfortable and uniquely designed height-adjustable stool that promotes 'active sitting'. The stool provides flexibility for standing and sitting postures and works well with height-adjustable desks. The Dyna Stool is popular amongst health-conscious office workers or perfect for active workplaces, where users may be standing for long periods, such as retail, laboratories, healthcare facilities and warehouses.

Disposal Recycle Charter.

We encourage re-purposing and recycling of pre-loved chairs to reduce our impact on the environment. When a customer has a chair that they wish to dispose of, we apply the following steps to determine the most appropriate method.

We're working with **Trees That Count** to mitigate our CO₂ footprint over the next 50 years, and help protect New Zealand's threatened biodiversity.

Greening Australia has been restoring Australia's unique landscapes and protecting biodiversity at scale through collaborative, science-based programs for over 40 years. For more information, visit: www.greeningaustralia.org.au.

As a **Sedex member** we are committed to being a responsible business, sourcing responsibly, and improving ethical standards and working conditions within the supply chain.
