

# MESH CHAIR

## TASK RANGE

## MESH CHAIR

Sturdy's Mesh Chair comes with adjustable lumbar support and a stylish mesh back for extra ventilation and a stylish polished aluminium 5 star base as standard.

Fitted with a synchronized mechanism, which has a 1:2 ratio (for every 1 degree of seat tilt, the back tilts two degree). Synchronized mechanisms are considered the most advanced as they mimic the ergonomic movement and posture of the human form.

The Mesh chair seat can be ordered in a fabric, vinyl or leather of your choice to help match or lift your office décor.

MB49 Mesh back syncro
