

# VOYAGER

Innovative bedding designs that provide guests with comfort and support, while offering superior performance and durability.

Also available in tight top

SUPREME • PILLOW TOP • PLUSH • VOYAGER • DUO

**Conforma Coil support system** conforms to the sleeper's body shape to provide enhanced support and pressure relief, and minimise partner disturbance.

**Ultrafoam** cushioning comfort layer provides exceptional comfort and resilience.

Generous layers of **Comfort Foam** made from environmentally friendly **EvoFoam** deliver pressure-relieving comfort.

**Fire-Retardant Stretch Knit fabric** meets AS1530.3.

**Profile Edge Support** consisting of firmer springs around the perimeter of the mattress to maximise the sleep surface and create a stronger edge.
